

Worldwide Legacy to Robert Burns

Julie & Steve would like to extend a warm welcome to everyone around the globe to take part in our second Worldwide Toast to Robert Burns on 25th January 2010. In celebration of the Homecoming Year, our first Worldwide Toast was such a resounding success that we just 'couldnae no' do it all again.

On all seven continents glasses were raised as Burns Clubs, Scottish Societies, Clans, Country Dancers and Whisky Clubs, to name but a few, gathered to celebrate and toast the Bard. It was also wonderful to see families all around the world getting together at home to join in the celebrations and raise a glass.

The passion and enthusiasm experienced during the Worldwide Toast comes alive when you take a look at our photo gallery and you can see from our 2010 Toast Tally just how many people and countries took part in this inspirational event.

Julie & Steve hope that we can leave a worldwide legacy for Robert Burns and create a focal point to bring together the Scots, the Scottish Diaspora and all of those around the world who have a love for Scotland.

DONATE A POUND TO ROBERT BURNS

Please help to raise money for the National Trust for Scotland's proposed Robert Burns' Birthplace Museum in Alloway. With the millions of people making up the Scottish Diaspora all around the world, we had the fanciful notion that if everyone donated just one single pound, then we really could make a huge difference towards helping the National Trust achieve their goal in leaving this fantastic legacy for our children of the future. See the 'Make a Donation' button on the left hand side of this page. Thank you.

Remember that you can still sign up for our newsletters to keep in touch.

As the number of Toasts and events grows the home page of our website was taking longer to load. So we have created a new page under 'Worldwide Toast' on the menu bar and the page is called 'Toast Tally'.

Thank you.
